

The first accredited Bachelor in Data Science in the Netherlands

<http://www.jads.nl/>

### New Videolectures Released

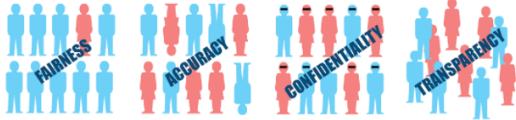

World-renowned experts present lectures in data science and related subjects of data analysis, stochastic modelling among others. The videolectures' series will be updated on a quarterly basis and will be available at <http://edsa-project.eu/video-lectures/>.

### New Courses Portal at EDSA

New courses available for self-study, MOOC, Face-to-face and blended learning courses at the European Data Science Academy courses portal. New design allows easier access to free and paid for courses in data science. Sign up to our courses today by going to <http://courses.edsa-project.eu/>.

# RESPONSIBLE DATA SCIENCE

## Summer Camp in Deep Learning

On 15 September, the Responsible Data Science (RDS) initiative, a joint collaboration of expert researchers from 11 knowledge institutions across the Netherlands, hosts the first seminar in the context of the Responsible Data Science Seminar Series <http://edsa-project.eu/the-responsible-data-science-seminar-series/>

---

## The 6th ESWC Summer School

Between Monday 5th and Saturday 10th of September, the EDSA supported the summer school and focused on providing intensive training and networking opportunities for the next-generation of scientists and researchers in the digital age <http://edsa-project.eu/eswc-summer-school-2016/>
