Shape the future of Data Science

edsa-project.eu

The European Data Science Academy (EDSA) is calling upon all data scientists, data scientist managers and data science enthusiasts across the EU to complete our online survey, helping to shape the future of data science education. Learning from your experience, this survey will enable EDSA to produce industry-aligned curricula and educational materials for training the data scientists of tomorrow.

Fill in our survey at <http://edsa-project.eu/resources/survey> and have your say on the future of data science.

For those wanting to become a member of EDSA, visit <http://edsa-project.eu/overview/join-us>.
